

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 22, 1995

SUBJECT: **SB 1428 - HB 1167**

This bill, if enacted, will eliminate the requirement that a notice be mailed to each property owner within a newly created fire tax district describing the boundaries of that district. This bill provides that such a notice be published in a general circulation newspaper in the county where the fire tax district is located.

The fiscal impact from enactment of this bill is estimated to be a decrease in local government expenditures to the extent less expenses are incurred by publishing a notice in a newspaper as opposed to notifying each property owner individually when a new fire tax district is created. A reasonable estimate of the decrease cannot be determined but is estimated not to be significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director
